PLATFORM AND RESOLUTIONS.

The Republicans of Ormsby County represented by delegates in Convention assembled, affirm their devotion to the principles enunciated in the platform adopted by the Republican State Convention.

In addition to our solicitude for the prosperity of the whole country, as affected by the present unjust discrimination against silver, we have a personal interest in the question so far as it has been used as an argument for closing the Carson Mint.

We charge the Democratic leaders in this State, under dictation of Senator Fair, with having conspired against the Carson Mint, and with having caused its doors to be closed against gold and silver producers of this State.

We condemn the action of the Democratic officials for delaying operations upon the proposed public Government building to be erected in this city, and for which the appropriation now lies idle in the National Treasury.

We favor absolute exclusion of the Chinese from this country, now and forever, and we call attention to the fact that the proposed Exclusion Act introduced by Senator Mitchell, a Republican Senator from Oregon, was passed by a Republican Senate, and was subsequently rejected by a Democratic House of Representatives. We recognize that the people of the entire country, whenever they become acquainted with the merits of this question, coincide with the Pacific Coast view, but we wish distinctly to point out that so far as effective action on this great subject is concerned, the Republican party has shown its earnestness in the matter by attempting legislation for the benefit of the people. This attempted legislation has been defeated by a Democratic House of Representatives. Let the people judge between the parties as they stand upon the record.

We cordially second to Senator Jones and Congressman Woodburn, our earnest commendation and approval for their constant attention to the waste and requirements of their constituents, and for their unremitting efforts on behalf of the great interests of the entire country.

With pleasure we endorse the nominees named by the Republican State Convention and predict success in November for the entire ticket.

Economical management of local affairs in officers should be careful in guarding expenditures from the county funds. To this policy the Republicans of Ormsby County stand pledged.

Resolved—That the Legislative nominees of this Convention are pledged to Ormsby County men and measures in all matters touching Ormsby County which may come before the session of the Legislature.
